

March 20, 2019

Dear 4-H Families,

It's that time of year again! We invite our 4-H youth to be part of a great experience this summer at the 2019 session of Logan County's 4-H Camp Clifton, which will be held June 9-13, 2019. 4-H Camp presents youth with a fantastic opportunity to make new friends, enjoy time with existing friends, learn new skills, and, most importantly, be active and involved. Our 2019 4-H Camp Counselors have been working diligently to plan a variety of exciting and engaging activities for the campers.

4-H Camp Clifton is located about ten miles south of Springfield (1/2 mile west of the village of Clifton). The camp is located next to John Bryan State Park. For more information about the site, visit www.4hcampclifton.osu.edu.

4-H Camp is for youth completing 3rd grade through 7th grade. Camp will be held from June 9 (Sunday at 6:30 p.m.) through June 13 (Thursday at 10 a.m.) ****Note check-in time change from previous years.** The cost of camp is \$200. This fee includes a 4 night/5 day stay at Camp Clifton, a t-shirt and a digital camp photo. Those families registering siblings will receive a \$10 discount for each child registered after one child is paid for in full. The maximum capacity for 4-H Camp is approximately 200 campers (not including counselors and adult staff).

Camp registrations will be taken on a first-come, first-serve basis and must include the entire contents of the registration packet. Campers will be officially registered once each of the following is received:

- **Logan County 4-H Camp Registration Form**
- **Health History Form:** Under the section titled "Immunization Record" on the back page of the form, you must either list specific dates for each section applicable or provide the Extension Office with a copy of an immunization record from a school or health care provider. If your child is not current or up-to-date with immunization, please complete the Ohio 4-H Immunization Exemption Form (also included).
- **Permission to Participate Form**
- **Picture for identification purposes:** An updated photo of the camper may be attached to the Health History Form or emailed to bower.183@osu.edu.
- **Payment for camp fees** (cash or checks payable to OSU Extension)

Additional registration packets can be picked up at the Extension Office, downloaded from our website (www.logan.osu.edu), or requested by phone. Registrations can either be mailed or dropped off to the Extension Office (there is a dropbox next to the front door for afterhours deliveries). **Registration packets and payment for all fees MUST be received by our office no later than Friday, May 3, 2019. [Important Notice: HIGH ROPES & ZIP LINE, ROCK CLIMBING & ZIP LINE, and ARCHERY have limited space and will be assigned on a first-come, first-serve basis. Those interested in these workshops are encouraged to submit their registration packets WITH PAYMENT as soon as possible.]**

Campers will be assigned to cabins and workshops prior to camp and notified of these assignments via their 2018 camp confirmation packets. Camp confirmation packets, which will also include what and what not to bring to camp, camp rules and directions to camp, will be sent by mail approximately three weeks prior to the start of camp. If campers need to bring something specific for any of their workshops (e.g. two-liter bottle for rockets), a reminder will be included in their camp confirmation packet. Please make sure all contact information, including email and phone, is current. Further, if you would like to request that your child stay with a specific counselor, please email me directly at bower.183@osu.edu to discuss these accommodations. Other information regarding camp and registering campers is as follows:

CELL PHONE POLICY AGREEMENT: OHIO 4-H & CAMP CLIFTON

Campers & Counselors are not allowed to bring cell phones or any other electronic devices to 4-H Camp Clifton. If a cell phone is brought with a camper it will be held by the Camp Director until the end of camp.

In this technology age it is difficult for youth to not be in contact via cell phone. Camp is a unique environment. We are trying to help youth develop life skills at camp including independence and self-reliance. Oftentimes homesickness, which is a normal part of a week at camp, can be worsened by talking to mom and dad. We respect and appreciate the wonderful relationship youth and families have, but if our campers are to enjoy camp fully they must be able to develop this independence. If there is an emergency or we are concerned about the youth's well-being, parents will be contacted.

I have read the above cell phone policy and agree to the guidelines stated, including that the cell phone & or other electronic devices will be taken to be returned at the conclusion of Camp if the policy is violated. I understand that if there is an emergency I may contact the camp at the phone numbers listed in the camp packet.
