

2022 Horse Livestock Evaluation Study Guide

The Logan County 4-H Livestock Evaluation will take place on Tuesday, June 14, from 2:00pm to 7:00pm at the Logan County Fairgrounds. You will have the opportunity to schedule a 15-minute window for each project.

All horse exhibitors should bring their completed Equine Record Book (190) and/or their Beginning Horse Management, Light Horse Selection, Learning to Jump, Draft Horse, Standardbred Horse, Equine Reproduction & Genetics, Trail Riding, Dressage and/or their Horse Nutrition project book.

Age divisions for Livestock Evaluation are as follows: (Your age as of January 1, 2022): Juniors 8-10, Intermediates 11-13, and Seniors 14-18.

This study guide describes each station that will be included in the Horse Livestock Evaluation. The Horse Livestock Evaluation is for all youth exhibiting Horses & Ponies.

Station #1 Project Record Book

Present your completed Livestock Project Record Book to the judge. The judge will review your record and award points for completion.

Station #2 Interview Station

You will be asked 5 questions by an interview judge based on your project. It will be up to you to properly state which project(s) you are taking when you arrive at the Interview Station.

Sample interview questions are included with this study guide. All questions are based on the project books.

Station #3 Breed ID

Juniors: You will be asked to identify 7 different breeds of horse.

Intermediates: You will be asked to identify 14 different breeds of horse.

Seniors: You will be asked to identify 22 different breeds of horse.
