Dear Potential Ohio 4-H Volunteer,

Let me take this opportunity to thank you for expressing an interest in becoming an Ohio 4-H volunteer. Each year, more than 25,000 adult and teen volunteers contribute their time, energies, and talents that enable Ohio 4-H to reach nearly 300,000 youth, helping Ohio 4-H fulfill its mission of helping youth to become caring, capable, and contributing citizens.

All individuals who are interested in volunteering with Ohio State University Extension and working with a member of a vulnerable population (minors, elderly over age 65, or individuals with disabilities) must complete a selection process under the direction of an Extension professional.

To more efficiently and effectively support our Ohio 4-H members, parents, volunteers, and professionals, Ohio State University Extension has a policy concerning the selection of individuals who desire to volunteer for the organization in a long-term and/or higher risk position. All potential volunteers will: (1) receive a position description; (2) complete an application and return to Extension office; (3) have references collected by Extension professionals; (4) agree to and sign the volunteer standards of behavior form; (5) submit to a criminal history fingerprint record check; (6) complete an interview; and (7) participate in an orientation/training program. **Applications to be a 4-H Volunteer in 2019 for Logan County are due back to the office by February 1<sup>st</sup>, 2019.**

Please know that all information related to the selection process may be updated periodically and will be kept in a secured file cabinet. This information will be kept on file for a minimum of three years following the receipt of your materials or the completion of your involvement as an Ohio 4-H volunteer (whichever is longest). The release of information will follow The Ohio State University and Ohio State University Extension operating procedures and will be in accordance with Ohio law.

Working with individuals in your community can bring you immense satisfaction as you help them grow, learn, develop, and succeed. Additionally, volunteering provides you an opportunity to gain new skills, help others, and meet new friends. We hope that you recognize the tremendous benefits of volunteering and will join us in helping ensure that everyone involved has a positive, educational experience.

We appreciate your cooperation and look forward to potentially working with you.

Sincerely yours,

Justin L. Bower

**VOLUNTEER STANDARDS OF BEHAVIOR**

These Standards of Behavior are accepted by volunteers who commit to an Ohio State University Extension (“OSUE” or “Extension”) program as a condition of their volunteer status. The Standards of Behavior shall guide volunteer’s behavior during their involvement in Extension programs. Just as it is a privilege for Ohio State University to work with individuals who volunteer their time and energies to the organization, a volunteer’s involvement with OSUE is a privilege and a responsibility, not a right.

OSUE provides quality educational programs accessible to all Ohio citizens. The primary purpose of this Standard of Behavior is to ensure the safety and well-being of all Extension program participants (i.e., members, their parents and families, professionals, and volunteers). Volunteers are expected to function within the guidelines of OSUE and the individual program area (4-H, Agricultural & Natural Resources, Family & Consumer Sciences, and Community Development). Extension volunteers shall act with personal integrity.

Ohio State University Extension volunteers will:

- Uphold volunteerism as an effective way to meet the needs of youth and adults.
- Uphold each individual’s right to dignity, self-development, and self-direction.
- Accept supervision and support from professional Extension staff while involved in the program.
- Accept the responsibility to represent their individual county Extension program and The Ohio State University.
- Conduct themselves in a courteous and respectful manner, exhibit good sportsmanship, and provide positive role models for all youth.
- Respect, adhere to, and enforce the rules, policies, and guidelines established by their individual county Extension program and OSUE.
- Not engage in abusive behaviors that physically or verbally threaten or harm any Extension program participant, including youth.
- Not engage in any act prohibited by law.
- Comply with all civil rights laws and policies, including but not limited to OSUE equal opportunity, anti- discrimination laws, and program participant policy.
- Perform duties in a responsible and timely manner as outlined in the position description.
- Immediately report any threats to the volunteer’s emotional or physical well-being to the county Extension professional.
- Accept the responsibility to promote and support Extension programs in order to develop an effective county, state, and national program.
- Handle animals and operate machinery, vehicles, and other equipment in a responsible manner.

I understand and agree that as a volunteer:

- In accordance with Ohio State University policy, *Self-Disclosure of Criminal Convictions Policy 4.17*, I am required to self-disclose criminal convictions within three business days of the conviction.
- I will uphold and support the responsible and lawful use of social media. In so doing, I will not create or post social media content that is abusive, threatening, defamatory, obscene, harassing, or creates a hostile environment.
- I will report any child abuse, sexual abuse, or neglect in accordance with university policy
- I will not intentionally or purposefully place myself in a position alone with a member of a vulnerable population in a one-on-one situation, including, but not limited to sleeping quarters with participants.
- I will not, under any circumstances, physically, verbally, or emotionally abuse or fail to provide the basic necessities of care, such as food or shelter to participants.
- I will endeavor to provide a safe and healthy program/camp experience for all participants.
- My volunteer status is subject to immediate suspension or termination based on any act or omission that Extension determines to be contrary to any portion of these standards or otherwise in conflict with the goals of OSUE.

I have read, understand, and agree to be bound by the **VOLUNTEER STANDARDS OF BEHAVIOR** outlined above.

## 4-H Volunteer Criminal History Fingerprint Background Check Procedure

Dear Potential Ohio 4-H Volunteer,

OSU Extension has been requiring fingerprint background checks of all new 4-H volunteers since 2002. The fingerprint background checks, along with our volunteer application, screening and training procedures are part of this commitment to keep our program participants safe. This is especially true for all 4-H members and our many other youth participants.

Over the past few years, universities and other youth-serving organizations across the nation have taken a hard look at their policies and procedures about protecting minors who participate in their programs. At Ohio State, these efforts have resulted in OSU Policy 1.50 (<http://go.osu.edu/Policy150>). Policy 1.50 builds on our already existing procedures and strengthens our overall commitment to the safety of youth. **A key part of the policy requires all adult 4-H volunteers to have an Ohio Bureau of Criminal Investigation (BCI) fingerprint background check before their volunteer service begins, and every four years thereafter. If you have not lived in Ohio the past five (5) consecutive years, you will also need to have a FBI criminal history background check conducted. The cost for the FBI check is in addition to the Ohio check.**

The information you need to provide when you go in for your fingerprint background check is at the end of this letter. Please take this letter with you when you go in to have your fingerprints taken. Be sure you know all of the required information, have a valid government issued photo ID, and acceptable form of payment to avoid making another trip. The fingerprint background check process will reveal past criminal convictions. The Ohio Revised Code specifies certain criminal convictions as disqualifying events that will result in immediate termination of current and all future OSU Extension volunteer status. You can view this list at: <http://go.osu.edu/DQoffenses>.

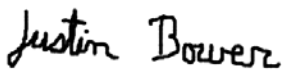

If you have completed an Ohio BCI fingerprint background check within the past twelve months for a reason related to working with children, working with the elderly, or certain types of licensure, you can ask BCI to send a copy of that report directly to OSU HR. This BCI request form can be found in this packet. Please follow the instructions on the form and send the request form directly to BCI. Please note: if you are not sure if you can request a copy of a past report, contact the BCI Civilian Identification Department toll free at 877-224-0043.

OSU Extension will reimburse you for the cost of your background check, keep your original receipt and bring it, along with this form, to your county OSU Extension office. Complete the form attached and be sure your name appears on your receipt. We will submit a reimbursement request for you. The check will be mailed from OSU in Columbus; it may take eight to ten weeks to process and will not say 4-H, but OSU.

We understand the extra time this takes and know you understand the importance of taking steps to help ensure the safety of all 4-H members, and we appreciate it!

If you have questions or concerns about this process, please contact the Logan County OSU Extension Office at 937-599-4227. You can also call the State 4-H Office at 614-292-4444 and ask to speak with Kirk Blair, Associate State 4-H Leader, or Tom Archer, State 4-H Leader.

## Interview Information

The interview is an important component to the comprehensive volunteer selection process and allows both the organization and the potential volunteer to make informed decisions about participation.

Without this significant step in the selection process, many misplaced or inappropriate volunteers may end up serving organizations, ultimately leading both the volunteer and the organization to be dissatisfied (Patterson, 1998). Having the wrong person in a volunteer position causes increased stress and work for paid staff due to poor performance, volunteer dissatisfaction, complaints, and inadequate services delivery. Interviewing allows the applicant and the interviewer to determine if there is a good match between individual's interests, skills, abilities, and the organization's needs.

The interview provides an opportunity for the 4-H Professional to:

- Promote the organization to potential volunteers;
- Expand on the information provided in the potential volunteer's application;
- Further investigate the validity of the information provided by potential volunteers;
- Obtain additional verbal and non-verbal information;
- and Look for other positive and negative characteristics.

The interview provides an opportunity for the potential 4-H volunteer to:

- Learn more about the organization, individuals, and programs;
- Develop a more complete understanding of volunteer roles and responsibilities;
- Further understand organizational culture, norms and values;
- and Decide if the organization/position is a good fit with their skills, abilities and interests, and time commitments.

Once a potential 4-H volunteer has returned a completed application and signed standards of behavior form to the Extension office, references have been contacted, and the BCI/FBI background check has been received, the Extension office will be in contact with you to set up an interview.

At the interview expect to go over your volunteer position, OSU Extension and 4-H policies, and a brief overview of OSU Extension. You will be given more information about orientation/training at your interview.

If you have any questions throughout the volunteer hiring process please call the Logan County Extension office at 937-599-4227 or visit [logan.osu.edu](http://logan.osu.edu) for more information.
